

PHILADELPHIA AREA MEDICAL INSTRUMENTATION ASSOCIATION

January 2020 Meeting and Presentation

Medical Device Cybersecurity and You

Monday, January 13, 2019, 5 to 8 pm

Dinner \$15 via [PayPal](#)

Come join your fellow Philadelphia area healthcare technology professionals to learn about and discuss medical device cybersecurity.

OWN IT. SECURE IT. PROTECT IT. – The FDA believes this is a good time to reinforce the importance of medical device cybersecurity and the role we all play in medical device safety. For general tips and information about cybersecurity and cyber safety, visit the Department of Homeland Security's [National Cybersecurity Awareness Month 2019 Campaign website](#). [FDA Fact Sheet](#)
